Date and place of birth: 24.7.1983 Valle de Bravo, Mexico

EDUCATION

- 2008 Bachelor in Computer Systems Engineering, ITESM Campus Cuernavaca, Mexico
- Cisco Certified Network Associate (CCNA)
 - CENEVAL – “Outstanding Performance”
 - Software engineering
 - Requirement requisition
 - Project management & analysis
 - Software quality assurance

EXPERIENCE & ACHIEVEMENTS

- 2010 - SongHi iOS Player - designer and developer
Worked on the design and development of the iOS version of the music-making SongHi.com service.
- 2009 SongHi.com music application – software developer
As one of the initial employees of Songhi Entertainment, took part in the conceptual design and implementation of all features of the Web service.
- 2008 Gestor Escolar Móvil – project manager and developer
Developed and integrated a mobile solution for the BlackBerry platform to an existing Web service. Took part in both design and implementation. In collaboration with SEP (Secretariat of Public Education) and Telmex in Mexico.

- 2007 Copious Harvest – project manager and software developer
Designed and built an application for the BlackBerry platform, as well as the client-server infrastructure needed to support it, based on an innovative idea for greenhouse automation with mobile interaction. Was involved in all stages of design, development and the elaboration of a viable business plan.
- 2006 Problem-solving/OOP course for college freshmen – instructor
Created and taught an OOP/problem-solving workshop for college freshmen at ITESM, campus Cuernavaca. The workshop took place twice a week for two consecutive semesters.
